STUDENT RESPONSIBILITIES

It is your responsibility to keep the Office of Student Affairs informed of the following changes:

- If you plan to postpone student teaching, you must immediately provide written notice to your Program Chair with a copy to Dr. Cheryl Horton.

- If you plan to withdraw from the Teacher Education Program, you must provide written notice to your Program Chair, with a copy to Dr. Cheryl Horton.

- If you change your home address, phone number and/or email address, you must contact your program coordinator or university supervisor.

IMPORTANT INFORMATION REGARDING STUDENT TEACHING PLACEMENT

- We will consider your stated preferences regarding grade level, subject area and/or site, but we cannot guarantee that you will get your first choice. Program faculty must review many factors in making final student teaching assignments. You are obligated to accept the position offered. Arrangements for transportation and housing are the responsibility of the student.

- The student teaching semester or internship will require your full-time commitment. During this semester, you may register only for courses required by the program. Student teachers and interns may not engage in part-time work during the practicum without the prior written consent of the program chair and the university supervisor. Prior consent is also required for those who wish to participate in time-consuming extracurricular activities, including, but not limited to university-sponsored sports, band, sorority activities, etc. Extra-curricular activities on or off campus must not interfere with student
teaching duties, including after-school responsibilities and meetings. Contact your program chair if you have questions about this guideline.

- Your school system may require an additional criminal background check. There may be a fee. You must comply with their requests in order to be eligible to work with their students.

- During the student teaching semester, students will comply with the policies, procedures, and rules of the school system to which they are assigned. Such regulations include work hours, vacation schedules, attendance at meetings, extra-curricular assignments, and dress and grooming guidelines. Student teachers and interns will observe the same spring vacation schedule as their cooperating teachers.

- Before the beginning of the full time practicum, there will be a final screening to confirm that you are eligible to student teach. If you have not met all preliminary requirements set by your program, you may be required to cancel your semester registration and forfeit your practicum placement. If you suspect that you may be in jeopardy of becoming ineligible, you must contact your program chair and Anne Bryan, Director of Student Services, immediately.
